RESPONSE TO NOTICE TO FILE CORRECTED APPLICATION PAPERS
AND CONDITIONAL PETITION FOR EXTENSION OF TIME under 37 CFR
1.136(A) (IF REQUIRED)

Commissioner for Patents
Washington, D.C. 20231

Sir:

Applicants are in receipt of a Notice To File Corrected Application Papers date June 6, 2002 requiring substitute drawings and a late oath or declaration surcharge.

Regarding the first requirement, Applicants submit herewith substitute drawings in compliance with 37 C.F.R. §1.84.

Applicants respectfully traverse the requirement for a late oath or declaration surcharge for the following reason. The subject patent application was filed on January 18, 2001, together with a Declaration and Power of Attorney executed by the two named inventors. Receipt of the Declaration and Power of Attorney was acknowledged in the postcard bearing the PTO datestamp of January

2001. For the Office's convenience, Applicants enclose copies of these papers. See M.P.E.P. § 503. In view of the foregoing, Applicants believe that no late oath or declaration surcharge is due.

If after evaluating this response, the Office still believes that a late oath or declaration surcharge is still required, Applicants respectfully requests a detailed explanation to the Office's requirement.

Applicants believe that no extension of time is required. However, this conditional petition is being made to provide for the possibility that Applicants has inadvertently overlooked the need for a petition for extension of time.

The Commissioner is hereby authorized to charge any additional fees which may be required, or credit any over-payment to deposit account 50-1236.

Respectfully submitted,
